## Great Fight Fiesta

### At Westside Auditorium Tomorrow Night; Good Card Slated

Fight fans of Long Beach and vicinity are to be treated to what probably will be the greatest fight fiesta ever held at the Westside Auditorium, 645 West Anaheim street, Long Beach, next Friday night, June 28. The main event will consist of four events, bringing together such fighting men as Sailor Dale Sparr, Benny Robello, Sailor George Ladley, Earl Hayes, Sailor Willis Bailey, Red Myers, "Ace" Winchester and Bob Weeks.

## Trout Catches Are Numerous In Lake Region

### Anglers Get the Limit in Region West of Independence

Water has receded in streams throughout the Bishop country the past few days. Owens river has fallen six inches, indicating the peak of the run-off has been reached. Fishing conditions are improved in both lakes and streams. Plenty of fish being taken. Anglers have had good fishing the past few weeks at Robinson, Hilton, Convent, Rock and Bishop creeks. Fair catches are being made at Hot, Lower Push and Big Pine Creeks, says the outing bureau of the Automobile Club of Southern California.

Lake fishing is still best, many limits being taken daily. Good reports are being received from Virginia, Grant, Silver, Gem, Parker, Mammoth, Walker and Rock Creek lakes. The trail has opened to Marie-Louise and Long lakes above Parkers. Good catches are being made there and at North Lake. Upper Big Pine lakes at Glacier Lodge are open. Fishing is excellent, particularly at Black Lake. Most successful flies at present are the mosquito, ginger-quit and March brown.

Limits have been taken out of Mottok, Flower, Pot Hole and Gilbert Lakes west of Independence. Lakes are all open along the Kearsarge Pass trail and good fishing reported. Pack stations are operating out of Kearsarge Valley, reached by a 15-mile road from Independence.

Stream fishing is only fair in this section, runoff still being high. Fishing in the Owens river at Tinnemaha dam has improved. Lone Pine reports several parties already flown in to Tunnel, Monache and Templeton Meadows airports in the High Sierra by Sierra Airways. Excellent fishing is reported in golden trout in the Rocky Basin lakes are biting and many lakes in the vicinity of Mt. Whitney are open.

Weather is fine at Mineral King. Nice catches have been made from the East Fork Kaweah on bait, fish not taking flies. The two lower Mosquito lakes are open and several limits of 11-inch fish have been brought in. Run-off heavy in this district and fishing only fair, except at headwaters of streams. Passes into high country are slowly opening and packers predict all will be negotiable by last of June.

In local waters best results being had at Big Bear lake—bait fishing. Little Rock dam furnished good fishing to trollers last week, using nickel spinners or worms and eggs. Plenty of small trout being caught in Santa Anita dam and San Gabriel river. Sesse river angling has been fair, a few successful in taking some fair sized trout. Green Valley lake reports plenty of small-size trout.

### Collects Pitchers

CAMBRIDGE, Mass. (U.P.)—Mrs. Marie A. Mayhew, has perhaps one of the nation's most unusual table crockery collections—495 pitchers. They range from thimble size to a quart in the forms of animals and famous men.

## Dead Heat

### For First In Mile Run

Pete and Louis Zamperini, entered in the Far Western A. A. U. meet at San Diego, which was held yesterday and today, staged a real "brother" act in the mile run, junior division, yesterday. The boys finished in a dead-heat for first place, time 4:26.2.

After the first lap first one and then the other took the lead and at the end of the final they breasted the tape together. Gregory Rice, of Missoula, Montana, was third.

Pete, who was running for U. S. C., came back later to take second in the half mile, which was won by Renda, Ohio State.

Pete and Louie will leave Sunday for Lincoln, Nebraska, to compete in the N. C. A. A. U. meet on July 5-6.

## Pitchers' Duel

### Goes to Angels Wednesday Nite

### Kiwanis Juniors Outlucked in Tight Game; Merchants In Sluggfest

Two homers that scored two out of the three runs made in the game featured the session between the Torrance Kiwanis Juniors and the Long Beach Angels Wednesday night, but unfortunately the Juniors emerged on the short end of the 2-1 score.

In the curtain raiser, Hermosa Beach defeated the Torrance Junior Merchants in a hit and run fest, in which each pitcher was pounded hard and a flock of runs were scored.

The second game was a real pitchers' duel, Brissinger for the Angels' hurler, J. Harden, the same. The Kiwanians got away to a bad start when Brissinger walked two men, Takahshi, Angels' second baseman, scoring, in the first inning.

The Angels made it two on Misner's homer in the fourth and the Kiwanis boys saved a shut-out by scoring one run on Ammon's homer in the sixth.

Brissinger struck out 10 Angels, Harden 11 Kiwanis batters. With the exception of the first inning, Brissinger pitched perfect ball. Harden issued five passes in all. Tomorrow night the Juniors will play the Torrance Merchants in a curtain raiser for the Bluebirds' game with the Fashion Pants of San Pedro. Game called at 7:30. An admission of 15 cents will be charged for the double header.

## Shellenback Day At Wrigley Field

Frank Shellenback, manager of the Hollywood baseball club and who has won 300 games in the Pacific Coast League, will be honored with a Frank Shellenback day at Wrigley Field Sunday afternoon, July 7.

Shellenback will take the mound in one of the two games that will be played against the Los Angeles club that afternoon. A graduate of Hollywood high school Shellenback pitched for that team 20 years ago. After being given a tryout with the Cooper League he was signed to a Chicago White Sox contract in 1917 and remained there for three seasons, being sent to the Vernon Coast League team in 1920. Although out of the game one season because of an injured arm Shellenback has set a new league record of winning 275 games and that doesn't count the victories he has turned in this year. He captured 12 straight games in 1930 and 15 in a row in 1931. He expects to pass the 300 mark in victories before hanging up his glove.

Perhaps his greatest feat was winning 32 out of 33 games, starting August 12, 1930, and ending August 2, 1931. His only defeat was a 2 to 0 game by Phil Page of Seattle.

## And There's the Gold

Peter Vois, 84-year-old miner, and one of the most picturesque characters in California, explains the process of panning gold to a pair of fair admirers. Vois, who has been mining "as long as I can recollect," does his panning near Auburn, Cal.

## Medaks Outclassed

### Bluebirds Slam Joe Storti's Outfit For 13 Runs and 17 Hits Tuesday

Spud Murphy's Bluebirds played a practice game with the San Pedro Medaks, Joe Storti's outfit, here last Tuesday night and sent the Medaks to the cleaners for a 13-5 score. Joe Casser started for the Birds and Joe Taylor assisted. Taylor played an all-round game, starting in right field, doubled for Fabregat behind the bat and helped out in chucking. Just a few items in the night's work for Joe, who can fill in anywhere and do a good job.

## Double Header at Park Friday

Poncho Fabregat also showed a versatile ability. He started behind the bat, relieved Taylor in right field and took the mound in the ninth inning to strike out two Medaks and set the last man down on a grounder.

Kordich and Robinson pitched for the Medaks. The Birds warmed up to their offerings for 17 hits, every man but Kratfoll and Landreth getting from one to three bingles. The home boys batted around in the third and lacked one of repeating the feat in the fourth to roll up seven of their 13 scores.

Box score:

	AB	R	H
Larry, 3b.	5	1	2
Olsen, lf.	5	1	1
Kittell, 2b.	1	0	0
Dussere, c.	4	0	0

## SANTA ANITA gets 58 days of WINTER RACING

Racing dates for the coming fall and winter season at Santa Anita, Tanforan and Bay Meadows, have been announced by the state racing commission, which has granted 156 days of the sport for the 1935-36 season.

The dates are: October 5 to November 9—Tanforan, 26 days. November 16 to December 14—Bay Meadows, 21 days. December 25 to February 29—Santa Anita, 58 days. March 7 to April 11—Tanforan, 26 days.

Bay Meadows was awarded a 25-day spring meeting to be staged after April 11. According to the commission's report, the state realized an income of \$1,065,103.36 off racing which will be used in the maintenance of state and county fairs and for the upkeep of state agricultural colleges and unemployment relief.

## SPORT SHOTS

Pete and Louis Zamperini, local leather lunged millers of Torrance are in San Diego this week competing in the Far West A. A. U. championship meet. Pete is running under the banner of U. S. C., while Louis is running for Torrance Kiwanis Club, unattached.

Their plans at the present are to return from the Border city tomorrow, work out two days and leave for Lincoln, Nebraska, Sunday night. It will be the first time either of the boys has competed out of the state. Louie will be wearing his famous Torrance strip across his running shirt for the last time in track. He is planning to enter the 1500 meter run, junior division at Lincoln where the National A. A. U. championships are being held this year. The last words Louie said to me before leaving for San Diego. "If I am in good shape and feel good after my race in the Far West meet, I intend to go to Lincoln, but if I feel tired, I may not enter in the Nationals at Lincoln, keeping my strength for the Olympics next year." Louie is only eighteen years old and does not intend to "burn" himself up.

Last Saturday in the N. C. A. A. meet held at Berkeley, California, Pete Zamperini, miler, running for U. S. C., took eighth place. The greatest mile Pete ever run—he was clocked in 4:22. Pete had some satisfaction in beating out the three men who have finished ahead of him all year in Coast meets—Wimmo, Stanford; Heavy, California, and his U. S. C. teammate, Benvidier. An eastern coach informed me that Pete started his sprint too late or he would have placed fourth. At the last lap the local boy was running in 26th place and he passed them all up to take eighth. It looks as though Pete will be the best miler in the "big three" next season.

Every year the Negro race is gradually beating his white competitor in the dashes. Many people wonder why Glenn S. (Pop) Warner, former Stanford coach, trainer of Jim Thorpe and now coach of Temple University gives his reasons why the Negro dominates in these events.

According to Warner the Negro has a peculiar foot structure and has more spring in his running. They get this spring because, for the most part, Negroes have particularly formed heels and feet. "No doubt you have noticed that a Negro's heel protrudes farther behind his foot than does a white man's. Naturally therefore, the Negro has a longer Achilles tendon and that longer tendon gives him more leverage," quotes Warner.

He particularly referred to stars such as Jesse Owens, Balace Peacock, Willis Ward, Eddie Tolun, Ralph Metcalfe and DeHart Hubbard.

A few weeks ago the world crowned its 14th heavyweight champion, James J. Braddock. How long the new champion will rule is yet to be seen, but I venture to say that he will not sit on the throne as long as the great John L. Sullivan, former heavyweight champ, and champion the longest. The great John L. held the record for 10 years, no other holder has come within three years of this great record. Here is the list of former heavyweight champions and their years ruling the throne: John L. Sullivan.....1882-1892 James J. Corbett.....1892-1897 Robert Fitzsimmons.....1897-1899 James J. Jeffries.....1899-1906 Tommy Burns.....1906-1908 Jack Johnson.....1915-1915 Jess Willard.....1915-1919 Jack Dempsey.....1919-1926 Gene Tunney.....1926-1928 Max Schmeling.....1930-1932 Jack Sharkey.....1932-1933 Primo Carnera.....1933-1934 Max Baer.....1934-1935 James J. Braddock.....1935 Retired undefeated.

### Western Avenue Golf Tournament

Here's one for a Horatio Alger role: Thirteen years ago, Joe Dine came to Omaha, Nebraska from Lincoln, Neb., with a desire to become a jockey, his big eyes on the Ak-Sar-Ben track in Omaha. He had at that time 45 cents in his pockets. He returned this year wearing diamonds. Joe confesses he has had some rough times since 1922, but never gave up. Young Dine collected 20 straight winners, parlaying most of his bets and claiming horses until at the end of the meeting in September he'd won \$100,000 in purses and wagers. He had a string of 18 claiming horses, selling all but three. Not bad.

As a general rule youth dominates the athletic world, but not so in St. Louis, Missouri. In this fair city they have an annual billiard tournament. Only men 70 years of age or over are allowed to compete. The 1935 championship was won by Col. Taylor Smith, 75, who defeated David Smith, 76, in the finals.

## Errors Flub Ballgame

### Toltees Score Five Runs in the Eighth Inning to Snatch Unearned Victory

Three errors in a row on the part of Gar Johnson, shortstop for the Torrance All Stars, tossed away the ball game in the eighth inning of a tight contest against the Wilmington Toltees Sunday afternoon. The All Stars celebrated their return to the home lot by putting up a stellar exhibition behind Paxman's pitching through seven innings and had the visitors down 3-2.

## Crippled Birds Skid to Defeat Friday Night

### Absence of Regulars Gives Huntington Park Big Advantage

A shattered Bluebird line-up skidded to defeat at the hands of Huntington Park Friday night, 7-3, in the last game of the first half of the Federal season. The boys will take a lay-off until July 9 when the second round starts. Manager Murphy will be out of town for a few days on a vacation, when he will try to forget the disappointments of the past few weeks and build up stamina to take up the battle again after the Fourth.

Of the regulars only Poncho Fabregat and Red Moon filled their regular positions. Van Vliet was on first, Blankesly on second, Vonderhage at third, Joe Taylor in left, Kratfoll center, and a couple of stand-ins occupied right field. Joe Casser was on the mound for the Birds.

The game was delayed long past the regular starting time waiting on the arrival of Hal Forney who was announced to be delayed by an accident, but who failed to show up.

The Huntington Park outfit, with Pete Harzig pitching and Old Reliable Danny Leonard on third were here in full force and had the game in the bag in short order. Pete and Danny got a nice welcome home from the stands and some good-natured razzing for being on the other side of the scorecard. The Park boys were nifty in their flashy red and blue uniforms and played a nice game.

Providing the schedule which has already been torn up and revamped a couple of times undergoes no more changes the Birds will open the second half with a home game against Alhambra. Fourteen games remain to be played until the end of the season in August.

## Free Spaghetti Feed For First Three Bagger

### Many Other Prizes Offered to All Stars For Long Range Hits

C. A. Paxman, whose son Carl is the ace pitcher for the Torrance All Stars, is going to encourage more long range hitting on the part of Carl's mates by offering to donate a baseball to the first man on the team who cracks a homer. Al Currier is offering a carton of cigarettes for the same feat, and Baker Smith will give a \$100 credit of merchandise to the first man who gets a three-bagger. The triple man can also get a free spaghetti dinner for himself and a companion at the Vienna Gardens, located on Lomita boulevard between Normandie and Vermont.

Additional prizes for homers will be given by Harder's Market, \$1.00 in cash; Turner's Shoe Repair, 1 pair of rubber heels; Young Market, \$1.00 in merchandise; Smith's Service Station, fill gas tank, change oil, service car; A. Crane, a haircut and shave; Hourn Drug, quart of ice cream; Tansey Barber Shop, haircut, shave and tonic; Worrell Hardware, a 75-cent pocket knife; Clark Stationery, box of stationery; for the first no hit no run game, the Smith Service Station will give \$10 in cash to be divided among the players; for the first shut-out game Roy's Cafe will give half a case of beer, and for each homer one bottle of beer; for the first double play, the Brass Ball will give a gallon of wine or a quart of whiskey; for the first two-base hit, the Mountain View Dairy will give a gallon of butter-milk; and for the first three-base hit the Prestone Service Stores will give five gallons of blue-green gasoline.

Three double plays, two of which cut off runners at the plate, had helped along the pastime and provided thrills for the big crowd of fans. Paxman had perfect control and had set down six batters on strikes.

The All Stars started the ball rolling in the first inning when after two were out, Krueger walked, went to second on Krueger's error, and scored on Swayne Johnson's drive. The Toltees tied it up in the second and the Stars came back in the fourth to garner two more runs. Double plays in the fourth, sixth and seventh kept down the rising tide, but in the seventh Gould scored on a single, an error by Rios, a sacrifice and Fernandez' single.

In the eighth Thomas singled, Acebedo struck out, and Gar pulled his first error which left Ponce safe at first. F. Montgomery, Toltee pitcher, did his share towards winning his own game by slapping out a nice hit. Gould was safe on a fielder's choice that scored Thomas with the tying run. Gomez struck out and Johnson, fielding Aldape's grounder, shot a fast one to Venable that struck Shelby's knee and bounced 60 feet in the air, letting in two runs. Fernandez timely hit drove in two more runs and Guzman fanned.

Johnson's error at the start of the ninth paved the way for the eighth and final run scored by the Toltees.

Next Sunday, the All Stars will play the Gardena Merchants here.

Box score:
